CONCERT CALENDAR DATES

For the past two years, I have attempted to compile a calendar including all of the performance dates for schools in the St. Louis Metro District. Many teachers encourage students to attend performances outside of their school districts, and I know that all of our students can benefit from attending these performances.

Please list **ALL of your concert dates** for the 2011-2012 school year. I will send a copy of the master list to all teachers that participate, either via e-mail or conventional mail.
